FROM FOUNDER'S DESK

"The Noblest pleasure is the joy of understanding."

-Leonardo da Vinci

Dear Parent's/guardians

In today's world the educational excellence is one of the most important requisite for better life. Education has a multi-dimensional area of action, and it is essential for the students to foster talent and skill sets which are effective across diverse cultures.

We are equipped with modern and state of art facilities to cater the needs of students. We have talented, dedicated team of staff, each of whom works very hard to ensure that the abilities of the children in our care are natured and carefully developed.

We are looking forward for a strong and valuable relationship with you in coming future and I sincerely assure you that the Spectrum Hi Academy will do all, whatever is needed by your sibling to make him/her the best and a valuable citizen of India.

FROM CHAIRMAN'S DESK

"The whole world open to me when I learned to read"

-Mary McLeod Bethune

A strong desire to redefine the education has given the birth to the Spectrum Hi Academy, an institution dedicated towards educational excellence. The Spectrum Hi Academy provides you the world class facilities along with the tremendous opportunities of growth and development in a holistic way. A good foundation is vital for a bright future keeping that in mind we ensure the appropriate educational and social development right from the Pre-School in our rural areas.

Our child centered curriculum is designed to create a stimulating environment for the young students so that they can achieve the excellence in overall learning.

We have a very efficient, hard working and supportive team of professional educators to provide the best service to society. Our commitment is to work with the parents to ensure the development of full potential of each and every student. At Spectrum Hi Academy I would like to assure you that your child will enjoy the learning process and Academy will always be ready to work with you in positive way.

I invite you to a strong cementing relationship for achieving a better life.

PRINCIPAL'S MESSAGE

"Tell me & I forget, teach me & I remember, involve me & I learn"

- Benjamin Franklin

Knowledge is the most valuable thing a man can have and so is the value of education and learning.

The Spectrum Hi Academy is an English medium Co-Educational institution working in the rural areas of Uttar Pradesh in district Sultanpur. The institution is fully equipped with advanced facilities and resources and is constantly engaged to provide the best quality education in the deprived areas.

Here at Spectrum Hi Academy our aim is to give stress free environment and talent nurturing guidance in order to develop the full capabilities of the students. We believe in Learning by Doing and hence provide the optimum opportunities of learning to students.

A holistic approach of education is followed for all round development of the students. Our staffs are well trained and experienced to take care of the needs and requirements of the children. They provide knowledge in a friendly way along with a deep touch of motherly care to ensure the fear free environment of learning.

Apart from giving the book based knowledge the academy provide practical learning by organizing different types of educational tours on regular basis. The parents are contacted on regular basis to find out the feedback and possible steps of action. During the parents teacher meeting sufficient time is provided to each parent separately to understand their need. Finally I can say that you will have a good time with us in the academy with all your aspirations.
